Chief, Intelligence Information Staff, ORR

18 April 1957

THRU : Chief, Industrial Division, ORR
Chief, Electrical Equipment Branch, ORR

June 19

Request for Requirements, A-10-976-772

REF : OO-K-3070956, 26 March 1957

This Office requests the following information from the source.

1. Describe and give electrical characteristics for any Soviet airborne radar or other airborne electronic equipment.
2. Provide information on costs of Soviet airborne radar or other airborne electronics equipment.
3. Give names and locations of plants which supply airborne electronics equipment, or, if this is not possible, any trademarks or nameplate data which may indicate the manufacturing plants.
4. Estimate the quantities of the various airborne electronics equipments in use in the Soviet Bloc.
